Hi Nick – Happy New Year. I hope you are well. We still haven't received responses from Ashley regarding the below (except on the ashes - I will reach out to Ashley again to revive that discussion).
Thanks, Todd

Hi Nick – I've been reading about you, so I know you've been busy with a high profile case. I just wanted to make sure you saw my email below. Thanks, Todd

Hi Nick - Three things:

A) Can you please give me Ashley's correct email address so I can email her about recovering the ashes? Not sure I have the correct email address.

Also, two information requests, which I believe will be the final requests;

B) We identified a withdrawal on June 14, 2022 from Taylor's Verasity Wallet in the amount of 14,998,008.8861 vera (\$79,758 USD on day of transaction) that ultimately was sent to address 0x4F6459cA41d19726fFE7A6543b003f3e57F1DA00 which was financed by KuCoin.com on 06/15/2022.

We need Ashley to explain to us where this withdrawal went and what happened to the funds.

Here it is on
Etherscan: <https://etherscan.io/tx/0x3e0f4627e1752e2d33587172a099f58f3935e98d8fd4d346373081ccbb16c0ec>

C) We still need EMAIL accounts and passwords used to set up the Binance, Gate.io, PrimeXBT, and ByBit accounts.

We have the account and password to access all four exchanges. What we do not have are the actual email accounts that were used to set up the exchange accounts. We need to take possession of the email accounts themselves to take possession of the exchange accounts.

Thanks, Todd Harrison

Hi Nick – Apparently your client sent a text to mine recently regarding the ashes of a friend (Beau) that Ashley has been safekeeping for Taylor. Apparently your client wants to return the ashes to my client. We can arrange to have someone pick them up from your client if that is okay with you. Let me know how you want to proceed. Thanks, Todd
